WHAT IS THE “SET YOUR LIMITS” PROGRAMME?

The “Set Your Limits” programme is available to TAB Account customers. A TAB Account customer can choose to request the NZ Racing Board to place a weekly limit on their financial activity through their nominated betting account. The limitations on financial activity could be either a request to place a limit on the amount of money spent through the account each week or a request to place a limit on the level of loss through the account. Once the agreed limit has been reached, no further bets will be accepted on the nominated account for that week.

The programme assists customers who wish to control their gambling by setting either (or both) a maximum amount of money lost or spent on a per week basis.

HOW DOES THE SET YOUR LIMITS PROGRAMME WORK?

After a limit has been set (either or both a maximum loss or spend per week) and recorded against the nominated TAB Account you will be able to place bets through the account facility with the confidence that when you have reached the agreed limit no further bets will be accepted in that week (Monday-Sunday).

HOW CAN I PARTICIPATE IN THE SET YOUR LIMITS PROGRAMME?

Once you have identified that you wish to participate in the programme you may obtain a Request form by contacting the NZ Racing Board on 0800 102 106 or by visiting either of our websites: www.tab.co.nz or www.nzracingboard.co.nz.

You must read, complete and sign the form only when you understand the form and how the Programme will apply to you.

By signing the Set Your Limits Request form, you authorise the NZ Racing Board to take action as is necessary to prevent you from betting more than the limits that will be set.

IF YOU CHOOSE TO PARTICIPATE IN THE SET YOUR LIMITS PROGRAMME YOU SHOULD:

1. Complete the Request form,
2. If you hand the form in at a TAB venue then have the venue manager (or authorised staff member) sign the form. Two copies of the form will be made. One is for your records, one for the venue and the original will be sent to NZ Racing Board Risk, Legal and Audit Division for action.
3. If you wish rather than visiting an outlet to submit the form, you can send it directly to: NZ Racing Board, P O Box 38899, Wellington Mail Centre, Lower Hutt 5045, Attn: Risk, Legal & Audit Division.

HOW LONG WILL I BE ON THE SET YOUR LIMITS PROGRAMME?

The Set Your Limits Programme operates indefinitely. It can only be revoked with the agreement of the NZ Racing Board. To request revocation or a change to the limits set you would need to write to: NZ Racing Board, P O Box 38899, Wellington Mail Centre, Lower Hutt 5045, Attn Risk, Legal & Audit Division.
