Race 2 SOUTHLAND & OTAGO PHOTO FINISH	Starts 12:09
Little Potential (4) Front-running 30.55s winner of a very good C0 Final last week. Obvious threat. Mister Efficient (7) Charlotte Lu pup that has shown ability at trials including 1 here. Keep safe. No Control (5) No luck 2nd up behind his litter-sister Little Potential. Has trifecta claims.

Race 3 INVERCARGILL DISTANCE	Starts 12:26
Adobe Peach (8) 2nd over this trip last week in a C2d field and she will appreciate the company. Zara Jem (1) Getting plenty of class relief for this but the rise to 630m is the real query. Mitcham Felix (6) He started in a C5 event here last week over 457m and the only worry is 630m.	
Qla 8,1 Tfa 8x1x6x5	
Race 4 ASCOT PARK TRICODE FACILITY PBD	Starts 13:37
Impressive Nora (5) Topped off her improving form with a deserved 17.24s win on Monday. Include. Homebush Dottie (7) Limited experience drawn out this wide but she strikes a very open field here. Homebush Nepo (2) The 390m tests him late but he jumps and runs which always helps. Place.	
Qla 5,7 Tfa 5x7x2x4	
Race 5 MR WHIPPY SOUTHLAND	Starts 13:55
One More Roadie (7) Unsighted since a rough run in a C0 Final. Her recent trial says she is ready.	
Race 6 OTATARA DISTANCE	Starts 14:11
Chief Dribble (1) A hat-trick of 732m wins at skinny odds and is well boxed away on debut here. Charley Horse (6) The draw and return to Ascot Park are both ideal and he is a genuine chance. Know Defence (2) Solid enough 2nd to Chief Dribble last start to suggest he is a threat today.	
Qla 1,6 Tfa 1x6x2x4	
Race 7 OTAGO GREYHOUND RACING CLUB PBD	Starts 14:30
Side Eye (3) Brave 2nd when up to this level in a very quickly run race. The value dog. Goldstar Butters (1) Inconsistent beginner but he can do some work in the running. Include. Goldstar Declan (6) He has decent form here over the 457m and adds to the trifecta puzzle too.	
Qla 3,1 Tfa 3x1x6x4	
Race 8 ORETI BEACH RUN	Starts 14:47
Goldstar Tyson (3) Scored a fast 30.32s win on Monday at a good price but will be short today. Homebush Rosa (2) The rise up to 457m looks ideal and she does hold trifecta claims to this. Mitcham Arlica (5) Back-to-back maiden sprint wins and this is not a big rise in quality here today	
Qla 3,2 Tfa 3x2x5x8	
Race 9 PAUL CONNER MEMORIAL SUPER SPRINT FINAL PBD	Starts 15:05
Opawa Snowdrop (8) In trouble as favourite last week but the prior wins are the guide to this race. Homebush Diva (6) Another eye-catching run when back here and she needs thrown in the mix too. Homebush Khan (2) The switch back towards the rails is the key today. Don't dismiss in this.	
Qla 8,6 Tfa 8x6x2x1	
Race 10 TOP CLASS RUN	Starts 15:24
Jay Walker (3) Bounced well when annexing the S.I. Champs and he goes very well here too. Let Him Cook (8) He went very close in a quickly run race when returning here. Can't be ruled out Claws In Zorro (7) Back to his best track and he is a live chance in this very tidy line up here.	
Qla 3,8 Tfa 3x8x7x6	
Race 11 ADDED ENERGY DASH PBD	Starts 15:46
Diamond Roman (5) Stunning resuming win over this trip 2 back and he must be covered again today. Impressive Show (6) He paid a nice place price when up to this grading last time. Adds to puzzle. Homebush Ben (8) Decent form since coming back to racing and he can figure in the finish today.
