### **Extended race coverage on Saturday evening**

Trackside is extending its live race coverage until 3.40am on Sunday morning to complement live betting on the FA Cup Final. Trackside will be showing live coverage from the United Kingdom's premier race tracks, Newmarket and Newbury.

The extended coverage will feature the highlight of Newbury's Flat racing season, the Group 1 Juddmonte Lockinge Stakes, one of the best races for milers in the country and a race that last year's Doncaster Handicap winner Haradsun, now trained by Aidan O'Brien, is scheduled to run in. The programme will be complemented with greyhounds from Cannington and harness racing from Gloucester Park in Western Australia.

Totalisator betting, commingled with Tabcorp, will be available on these races through Internet, Touch Tone, Phonebet, Skybet and Retail channels from 12noon on Saturday 17 May.

Live betting on head to head options on the FA Cup Final will be available from 2am, Sunday 18 May through TAB Internet, Phonebet and Touch Tone channels. Phonebet will be extending its opening hours to 4am on Sunday morning.
