Made a meal of her debut last week with little support. Place roughie off the 1.

Couldn't wrestle the lead, 21 June and paid the price. Draw helps place chances.

Racing without luck lately despite drawing the ace. Always a combos option.

Failed to quicken from the trail last week and would need plenty of improvement

Never a hope from the rear 7 days ago. Not too bad prior and outside 1st4 chance

Run down here, 21 June and solid after working since. Should race handy; cover.

No peace in front last week. In good touch and very competitive despite marble.

Midfield trial since breaking at Methven in April. Looks up against it from here
